Case No. 5:22-cv-01241-FLA (SPx)

**ORDER DISMISSING ACTION
[DKT. 21]**

1 On November 25, 2022, Plaintiff Integon National Insurance Company
2 (“Plaintiff”) filed a Notice of Settlement, stating the parties had agreed to settle the
3 action and anticipated filing a stipulation to dismiss the action within sixty (30) days.
4 Dkt. 21. Having considered the Notice of Settlement and finding good cause therefor,
5 the court hereby ORDERS:

- 6 1. All deadlines governing this action are VACATED.
- 7 2. The court DISMISSES the action without prejudice. The court retains
8 jurisdiction to vacate this Order and to reopen the action within 60 days
9 from the date of this Order, provided any request by a party to do so shall
10 make a showing of good cause as to why the settlement has not been
11 completed within the 60-day period, what further settlement processes
12 are necessary, and when the party making such a request reasonably
13 expects the process to be concluded.
- 14 3. This Order does not preclude the filing of a stipulation of dismissal with
15 prejudice pursuant to Fed. R. Civ. P. 41, which does not require approval
16 of the court. Such stipulation shall be filed within the aforementioned
17 60-day period, or by such later date ordered by the court pursuant to a
18 stipulation by the parties that conforms to the requirements of a showing
19 of good cause stated above.

20
